| Assistant Principal | Supervising - Mrs Lester |

### Update of Contacts

If you have recently changed your address, telephone numbers or emergency contacts please let the school office know ASAP. If there are any changes to custody of your child please let us know also. Any medical issues should also be given ASAP. As you can appreciate it is very important that our school has up to date contact and medical details especially when your child is sick and/or upset.

### Storm Conditions at School

In the event of severe storms that occur on or around the 3pm bell time, the safety of students is paramount. Do not rush or panic as we will not release the students if conditions are dangerous and will hold the students in class until conditions improve or students are picked up by an adult.

Mr Hughes

### KISS and DROP ZONE

Please be reminded that this zone is for drop off and pick up only. This will be policed by council rangers at random so please do the right thing to avoid any unnecessary fines. Thank you.

### YEAR 1 VISION SCREENING

Vision screening for Year 1 students will be held on Tuesday 26th & Wednesday 27th February 2013 here at school. There is no cost incurred to parents/caregivers and each student will receive a summary of the findings. Permission notes will be sent home this week and must be returned to classroom teachers by Friday 15th February. If you have any questions, please feel free to contact me at school.

Karen Davies - Stage 1 Supervisor

### SCHOOL BANLING

One of the most important life skills your child will ever learn is SAVING! The earlier children start good saving habits, the longer those behaviours will stay with them.

School Banking encourages regular saving with an exciting Rewards Program to motivate children to save. Application packages have been sent home to all students, additional packages are available from the front office.

The banking day for this year is MONDAY.

Mrs Cook

### Allergies At School

Some children in our school have an allergic condition called Anaphylaxis that makes them especially sensitive to certain foods.

**Anaphylaxis** is a severe, potentially life threatening allergic reaction. Peanuts, nut products and eggs are the main hazards. Eating or even touching these foods can cause lips, eyes and airways to swell which may result in significant difficulties with breathing.

We ask the community’s support in caring for all student’s needs. Therefore we ask that NO peanut butter, peanut biscuits, cakes with peanuts, peanut cracker chips, Nutella or eggs be brought to our school.

Our canteen supports this request and we ask parents to help us keep all children at Rosemeadow Public School safe.

Mrs Cook

### Year 6 – 7 2014 Information Evening

Campbelltown Performing Arts High School will be holding a Year 6 Information Evening on 13th February, 2013 for all prospective students or those interested in attending our high school in the future.

This evening will provide an opportunity for prospective students & families to meet key personnel; develop an understanding of the school’s priorities, programs and subjects; tour the school’s state of the art facilities; and gain information about the enrolment and audition process.

When: 6pm
Where: Campbelltown Performing Arts HS Beverly Road, CAMPBELL TOWN
Any questions please call Ms Quince or Ms Seton on 4525 1403.
