From The Principal
Storms at 3pm

Last Friday afternoon we had a storm at school that was very severe and gave us reason to question the safety of our students walking home. As always, your children’s safety is of utmost importance to the staff at Rosemeadow PS, it was with this in mind that we decided to keep the children safe and dry in the classroom until the height of the storm had passed.

Students stayed in their classrooms until approx. 3.15pm unless parents picked students up or contacted the school via telephone.

We apologise if this caused any inconvenience to you. This is the procedure that the school will take in the event of any storms occurring at 3pm.

Asthma Action Plan
Asthma is one of the most frequent reasons why students come to the sick bay each day. Our staff are all trained in how to effectively treat asthma, however it is essential that if your child has asthma we have an Asthma Action Plan for your child so that we can ensure that the treatment we provide is the correct treatment.

Asthma Action Plan can be accessed through your doctor or on the Asthma Australia website at www.asthmaaustralia.org.au. If your child has asthma and the school does not already have an Asthma Action Plan please complete a plan and return it to the school. Copies of the Asthma Action Plan are available from the office.

Kindergarten Start Dates

Kindergarten students enrolled to start in 2014 will officially begin on Monday 3rd February 2014 at 9:15am in the hall.

Best Start assessments will take place on Wednesday 29th January, Tuesday 30th January and Thursday 31st January. Each child will be allocated a 30 minute time slot where they will complete a literacy and numeracy assessment with their class teacher. This helps teachers to plan for the term ahead.

On the day of your child’s assessment you will be required to bring your child to school at the set time and wait for them outside the classroom while they complete their assessment. During the first week of school Kindy students will finish school at 2:30pm. A note will go home alerting parents when the time will change to 3pm.

YWCA Bench Presentation

Tuesday 26th November saw the culmination of a partnership between YWCA and Rosemeadow PS. Year 5 and 6 students had the opportunity to participate in a mentoring program with a focus on forming and maintaining positive friendships. To celebrate the success of the program our school was presented with a Friendship Bench which is located on the grass area near our Year 6 classroom.

We would like to thank the YWCA for their ongoing partnership.

Is your child starting school in 2015?

Do you want to help them prepare?

Then come to Leapfrogs!

What is it? A FREE transition to school program for children starting Kindergarten in 2015 that allows children to play, learn, socialise and get ready for school.

If you want an enrolment form they are available at the office.

Mr Janene Cook

2014 classes

Based on current numbers we look like forming 27 classes next year which means this is one additional class.

It is vital that we have accurate enrolment information so that classes can be formed as soon as possible in the New Year. If you intend travelling or moving at the beginning of next year we need to know.

School Reports

School reports are being finalised and will be sent home on Presentation Day, Thursday 6th December.
