Congratulations to Amanny and Emily from Year 6 who appeared on the Today show on Saturday morning. They did a great job explaining their recent involvement in a program that supports leadership in young girls. The school is very proud of you both!

Year 7 Selective High School Placement 2016

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One strategy is selective high school placement which provides intellectual stimulation and an educationally enriched environment for gifted and talented students.

Offers for selective high school placement will be determined mainly on the basis of the Selective High School Placement Test results and school assessment. The Selective High School Placement Test will be held on Thursday 12th March 2015. If you would like your child to apply for a selective High School placement in Year 7 in 2016, please contact:

GOOD GUY DOLLARS

Why do some children prefer to lead a lazybones life, while others love to tear around the sports field? Is it a hereditary trait? And what can parents do to encourage those children to get up off the sofa, or switch off the computer, and get a little physical?
