2015 classes

Based on current numbers we look like forming 28 classes in 2015. It is vital that we have accurate enrolment information so that classes can be formed as soon as possible in the New Year. If you intend on travelling or moving at the beginning of next year we need to know as this may affect our class structure.

Captain and Prefect Elections

Students in Year 5 will be nominating themselves for 2015 Captains and Prefects. Speeches and elections will happen soon. Unfortunately not every student will receive a Prefect or Captain position. Students not elected into these positions will be offered other leadership opportunities. Good Luck to all nominated candidates.

School Reports

School reports are being finalised and will be sent home on Monday 1st December.

If you would like to discuss the contents of the report please make an appointment for an interview with your child's class teacher.

Congratulations

Congratulations to Mrs Jassen who was the proud recipient of the School Administration and Support Staff Award for her outstanding contribution to Public School Education. This is a very prestigious award and well deserved.

Congratulations to Michael B and Mrs Lester for receiving awards at the Aboriginal Student Achievement Awards held at University of Western Sydney.

Michael received his award for Culture and Commitment and Mrs Lester received her award for her commitment to Aboriginal Education.

Congratulations to you both.

PBL Badge Winners for August

Safe Award - Kye B 1/2A

Kye is an enthusiastic student who always comes to school with a positive attitude and a smile on his face. He understands the rules in both the classroom and playground and always follows these rules to make sure that he and his peers are safe. Kye is often found playing sport at lunch time and displays good sportsmanship in his games and ensures his game does not disturb other students.

During Kindergarten orientation, Kye was a good role model and helped his buddy to participate in our class.

Respect Award - Priya S 6C

Priya is a Respectful student who completes all classroom activities with enthusiasm and a smile on her face. Her positive attitude is infectious. She never complains or moans about her class work. She gets straight to work and tries her best at all times.

Priya always listens carefully when the teacher or another class member is talking and if she has something to say she never interrupts, but waits patiently for her turn to talk. She is a well-mannered and friendly student who treats people the way she expects to be treated, with respect! Priya always sets a fine example of what it is to be a Respectful learner.

Learner Award - Chachris C 2G

Chachris is an enthusiastic learner who consistently aims to produce his best work in all classroom activities and lessons. He displays a strong commitment towards improving and developing his skills in all learning areas and is eager to achieve set learning outcomes.

If Chachris requires assistance he asks his teachers and peers politely and accepts feedback to help improve his work. Chachris will regularly use resources around the room, in particular the Word Wall and Bump It Up Wall, to try and improve his writing.

Chachris is becoming more confident in his approach to learning, which has resulted in the contribution of effective responses to class discussions and him being recognised as a positive and helpful class member during group activities. Keep up the great work Chachris!

Congratulations to our badge winners and all students nominated.

Keep being Safe, Respectful Learners.
