29th April - Students Return
1st May - ANZAC Day Service 9.20am

From The Principal

End of Term

School holidays start from Friday afternoon. Students return to school on Tuesday 29th April. May I remind parents not to allow students to come onto school grounds during this period as it is a safety and security concern. I wish everyone an enjoyable break.

School Security

If you see suspicious activity at school after hours or during the holidays, please contact School Security on 1300 880 021.

ANZAC Day Ceremony

This year we will be holding our ANZAC Day Ceremony on Thursday 1st May. The ceremony will be held in the shelter area and will begin at 9.30am. All community members are welcome to come along to share in remembering the service men and women during our ceremony. Students will be able to lay a wreath at the flag pole during the service. The wreaths will then be moved to the Commemorative garden near the office block.

On ANZAC day two students Nikita B and Jake G will be speaking at the ceremony that will be held at Maclean Park, Campbelltown. This is a great honour for these students and our school.

Mr Paul Hughes
Principal

Easter Hat Parade

Today, the students from Kindergarten, Year One and Year Two participated in the Easter Hat Parade. A great time was had by everyone. The students even had a visit from the Easter Bunny.

Thank you to everyone who put great effort into the making of some AMAZING Easter Hats.

March PBL Badges

Safe Award - Brianna M 6K

Brianna always displays the qualities of what it means to be Safe at Rosemeadow Public School. She is always considerate of others and moves through all areas of the school with care, encouraging others to do the same. Brianna makes sure our books are safely on the shelf, pushes in forgotten chairs and generally tidies up around the room. She never does these things to be rewarded, she is just trying to help out and make a difference!

Respect Award - Jasmyn R 5S

Jasmyn could easily be nominated for all three PBL award categories. Firstly, Jasmyn is always friendly and respectful to fellow students, teachers and all members of the school community. On a daily basis Jasmyn volunteers her time to help interact and play with students in both the structured playground and main playground. She assists the Teachers aides at lunch and recess and will offer to help them if she sees a problem in the playground. Jasmyn is very proactive at solving problems and helping to mediate issues before they arise. If Jasmyn sees a student playing alone at lunch or recess she will go and sit with them and begin a conversation. She has also volunteered to help teach other students how to play safely and sensibly and interact with each other. Jasmyn makes a point of greeting students in structured play and offers encouraging words if a peer becomes upset or frustrated. If she sees an unsafe situation she will inform a teacher and always tries her best to ensure the safety and well being of her peers. Jasmyn’s kind and caring nature is an asset to Rosemeadow Public School and she is a fantastic role model to her peers. She deserves to be acknowledged for her kind words and empathy towards others. Keep up the good work Jasmyn!
