From The Principal

On Monday night I had the honour to attend the Campbelltown, Macarthur and Wollondilly Principals Network Awards night which recognises teacher excellence in Public Education. We had three teachers receive awards on the night Mrs McLaughlin, Ms Williams and Mrs Jorgensen. Well done and well deserved!

Spring Fair

Spring Fair was a great success with an amazing $15,700 raised. Thank you to Mrs Collins and her team for all of her organisation and to all staff for your efforts. A huge thank you to all students and community for your ongoing support.

Year 6 2016 Leadership

We are currently working with our Year 5 students who wish to nominate for school leaders in 2016. If you would like more information on the process or a copy of the Leadership Policies and Procedures please contact Miss Sinnott or Miss Kelly.

2016 Enrolments

We have already started planning for the 2016 school year and possible class structures. Accurate information on student numbers is essential to minimise disruptions early next year. Please assist us by letting the school know if you intend on moving to a new school or there are new neighbours in the street with school aged children.

Thank you to the families who have indicated to the school as soon as possible.

Kindergarten Orientation

Today we have welcomed the children who will start Kindergarten next year at Rosemeadow Public School. Further Kindergarten Orientation days will be held on Thursday the 12th of November and Tuesday the 26th of November.

There are many new families joining our school community and we look forward to working together to make the children’s first year of school a happy and productive one.

Mrs Silverstone

Bike Licences

Students who ride a bike to school should apply to have a Bike Licence from the front office.

All students who ride a bike MUST wear a helmet.

Scooters and Skateboards are not permitted at school.

Child Protection Lessons

As part of the School Personal Development, Health and Physical Education (PDHEP) Education curriculum, students K-6 will be participating in Child Protection lessons during term 4.

These lessons are tailored to suit the student’s grade and level of maturity. They range from assisting students in identifying dangerous or uncomfortable situations, helping students to understand physical changes to their body (years 5 & 6) and how to seek help from trustworthy adults. Some lessons may involve naming different parts of the body.

The Child Protection lessons have been developed by the Department of Education and they are an important priority for schools.

We trust that you will support your child’s participation in the program. Please contact your class teacher, if you have any questions.

The policy for Child Protection has changed, therefore a permission note is no longer needed. If you do not wish for your child to participate in these lessons, please contact the school as soon as possible.

Mrs Lester
