PBL Badges for June

Damon R 1M - ‘Learner’ Award
Damon has been trying very hard to be the best learner he can be. He gives clever answers during class discussions and has great ideas to share with others. During lessons, Damon uses his partner talk time to share new learning and listen to others’ ideas. His contributions often help other students to understand what is being taught.

Damon has learnt how to express opinions and can discuss inferences about characters and texts and he practises using these skills to learn even more.

Heath B 2Q - ‘Safe’ Award
Heath is always being safe in the classroom and the playground and encourages others to do the same. During our Year 2 excursion to the Science Centre, he continuously followed the instructions of staff and teachers to make sure that he conducted himself in a safe manner.

Heath used all the equipment correctly to ensure the safety of himself and all those around him.

Congratulations Heath on being a safe learner!

Jake W 4/6H - ‘Respectful’ Award
Jake is definitely a perfect example of a Safe and Respectful Learner and could be nominated for all three awards. He consistently tries his best in all areas, always working hard to improve on his own personal goals, and not comparing himself to others in the class. He is always safe in the classroom and playground, following all school rules and always listens to teachers’ instructions.

Jake is always respectful, not only to teachers and other staff, but to students too. He is eager to please and help where he can in the classroom. Jake is a wonderful friend to everyone in the class, and always looks out for students who need help or may need an extra confidence boost. He is always kind and caring. Jake can be trusted to help younger students and is a great role model. I am very proud of you and all your achievements this year Jake!

School Security

During the holiday period it is important to keep an eye on the school to avoid vandalism and theft. If you see anything untoward happening at our school please ring security on 1300 880 021. Thank you for your cooperation.

Local Traffic

Our pedestrian crossing attendants do a great job keeping our students safe at very busy times of the day. To assist in this important job it is essential that drivers obey the traffic rules and signage around the school. Parking illegal and dropping students off in undesignated areas contribute to an unsafe environment.

I urge all parents to work together to avoid any accidents. The local police and council rangers patrol the area regularly.
