Congratulations

Congratulations to Mrs Grieve and Mrs Wurram who both gave birth to healthy baby boys. Mrs Grieve named her baby Elijah and Mrs Wurram named her baby Theodore. Both mums and babies are happy and healthy and the staff at Rosemeadow wish them all the best.

Education Week - Open Day

Last Thursday was our annual Open Day which saw a few hundred parents, carers, grandparents and friends visit our classrooms and join in the activities prepared for this special day. Open Day is a wonderful opportunity to visit our school and see all the fantastic things happening in our classrooms.

It was great to see so many visitors in the classrooms participating in learning with their child. Students and families enjoyed the time they got to spend having lunch together too. Thank you to everyone that came to be part of Open Day.

Kindergarten 2016

We are now taking enrolments for Kindergarten for 2016. If you have a child who is turning 5 on or before July 31st 2016 they can start next year. Please come and see one of our friendly office staff for an enrolment form.

Kindergarten orientation will commence in Term 4.

If you know of any new families in the area or families that have school aged children starting Kindergarten next year please let them know they can come and enrol.

Science Day

More than 20 excited Stage 3 budding scientists (aka students) went to Ambarvale High to meet and listen to guest speaker Dr Karl Kruszelnicki. Several enthusiastic teachers went along as well.

Dr Karl was at the High School to promote Science Week and to encourage students to consider a career in science. Dr Karl spoke of his own varied career and the exciting changes and directions that are happening right now in science.

Our school received a selection of Dr Karl’s books to include in our Library and students are already borrowing them to read.

Dr Karl spoke to the students and we learnt some very interesting things. For example kids are smarter than adults (because kids have more brain cells) David Year 6

Dr Karl showed us some optical illusions and there was an interesting one about a blue dress. Reynal Year 6

We learnt a bit about a lot of things like computers, engineering, basic science, DNA and genetics. It has inspired me to do science in my future. Andrew Year 6

I think it is interesting how in the future not all people will have jobs and the future will be taken over by technology. Tiffany Year 6

I think it is very smart!

Garden Improvements

32 and 3H have been working hard to improve our school gardens. They have worked collaboratively to plant new plants and decorate the garden, improving the look of our school grounds. Keep up the good work!

Parent Forum

Parents and community members are invited to attend a parent forum to provide your valuable thoughts and opinions about the current direction, programs and initiatives that are happening at Rosemeadow Public School. Dinner and child minding will be provided at the venue.

When: 6:00pm - Tuesday 15th August 2015
Where: Rydges Campbelltown

If you are interested in attending this event please RSVP to your child’s teacher or phone the office. You will then receive a formal invitation and an information booklet about the school’s current initiatives so that you can form your thoughts and opinions prior to the event.

Infants Athletics Carnival

The Infants Athletics Carnival took place on Wednesday 5th August. The students competed in all the track and field events and had a wonderful time. Well done to the teachers who organised this successful event.

Skoolbag App for iPhone and NOW FOR Android

Did you know that Skoolbag app can be used to inform the school if your child is absent? Just go to Eforms and follow the prompts.

To access, simply search for ‘Rosemeadow Public School’ in the App store or in the Google Play Store. It is free to download.

Woolworths Earn and Learn Program

From Wednesday 15th July to Tuesday 8th September 2015, Woolworths will give you one Earn & Learn Point sticker for every $10 you spend in the store (excluding the purchase of cigarettes, alcohol and gift cards). This year as you make your purchases ask the checkout operator to give you the stickers and you can either send these to school or place them on a sticker card and when that is full send it in to the office.

You will be able to track our progress on our point’s barometer online at woolworths.com.au/earnandlearn

GOOD GUY DOLLARS

If you are shopping at the Good Guy stores please ask for your Good Guy dollars for our school. These all add up and enable us to purchase much needed equipment such as computers etc.

Rosiebald – Art Gallery

Thank you to all parents, family and friends who took time to come to the library to view and vote during Education Week (around 280 votes were cast).

- More than 65 students entered a model in the construction display. The innovation and creativity demonstrated by the students, their family and friends should be commended. Viron’s ‘Ballarat Gold Rush Camp’, Janelle’s ‘Thomas the Tank Engine’ with full procedure and description, Pratha’s ‘Cardboard deer head’ and Mattild’s ‘Box monsters’ were the subjects of much admiration and praise, as were many more of the entered constructions. All entrants will receive awards in appreciation of their creations and effort.

We were delighted to welcome around 300 visitors to classrooms and exhibitions, enjoying a cuppa and cake in Café Rose and staying on for picnic lunch with the students.

Please take time to visit (Skoolbag, Facebook, website) for a closer look at the constructions and art works.
