SAS staff Recognition Week
The school community is made up of many different people, all of whom play a vital part in the running of the school. School Administrative and Support Staff are important contributors to the success of the school and the student’s education.

This week is SAS staff Recognition Week and from our staff, students and community we say thank you for the vital roles you play within our school.

Planning for 2016
We are beginning to plan for the 2016 school year. Accurate information on student numbers is essential. Could you please assist us by letting the school know if you intend on moving to a new school or there are new neighbours in the street who have school aged children. We are keen to enrol students starting Kindergarten for 2016.

Extravaganza Rehearsal
On Tuesday we had a whole school rehearsal for the extravaganza and it was fantastic to witness the improvement of the students over the last few weeks. We have 50 tickets left for the 4pm performance so if you haven’t bought your tickets I encourage you to do as soon as possible. Unfortunately 6pm is sold out.

Staff carpark, picking up and dropping off
Over the last week I have had a number of concerns raised from community members in relation to students being dropped off and picked up from school in an unsafe manner. Just a reminder that the staff carparks are off limits for both parking and walking students through and the safest way to cross students over the road is by using the pedestrian crossing. Thank you for your on going support in this matter.

Book Week

Friday 28th August was our annual Book Week Parade. Once again we had wonderful support from our parents and community. Our book parade has always been a great success and a lot of fun, and all students K-6 looked fantastic dressed in their costumes. Students from older grades walked with their buddy classes and teachers paraded in their costumes as well. Thanks once again for your support.

Russell Matheson MP - visits Kindergarten
On Monday 24th August, Russell Matheson Member for Parliament, visited Rosemeadow Public School as part of our book week celebrations. Kindergarten performed the songs for our local MP and received a book each to take home and keep. Mr Matheson commented on how impressed he was with our Kindergarten students and how well they represented Rosemeadow Public School.

School Banking

One of the most important life skills your child will ever learn is SAVING. The earlier children start good saving habits, the longer those behaviours will stay with them.

School Banking encourages regular saving with an exciting Rewards Program to motivate children to save.

Bank books can be handed into the office on a Monday. Parent volunteers will process the banking throughout the week and bank books will be returned after processing, by Friday at the latest.

Recall Cosmic Beam Torch
Commonwealth Bank has recalled the Cosmic Light Beam Torch due to safety concerns about the batteries, if you have one please return to school and your child can make another selection.

Kindergarten 2016

We are now taking enrolments for Kindergarten for 2016. If you have a child who is turning 5 on or before July 31st 2016, they can start next year. Please come and see one of our friendly office staff for an enrolment form. Kindergarten orientation will commence in Term 4.

If you know of any new families in the area or families that have school aged children starting Kindergarten next year, please let them know they can come and enrol.

Extravaganza Rehearsal
On Tuesday 1st September all students participating in the Extravaganza enjoyed viewing a whole school practise under the shelter. All classes got to watch each other perform and the whole school participated in the Finale. The performances are looking terrific and we are excited for the Rosemeadow Community to view it at Events Cinemas on Monday 14th September.
